ALL THAT *Glitters*

THE CONTEMPORARY BEAUTY OF MALAY WEDDINGS HAS CHARMED ITS WAY INTO OUR HEARTS.

With 8 years of experience in the wedding industry, styling and creating magical Western and Chinese weddings, Eternally Yours is embarking on a new foray into Malay weddings, providing bespoke and personalized wedding conceptualization services.

Eternally Yours held a Malay Wedding media showcase with an elaborate display of splendour that amplifies the elegance of a modern Malay wedding. Founder and Co-Director, Vernetta Lopez, recognizes that Malay weddings have evolved to include more modern and Western styles. Eternally Yours' ability to marry styles and trends, while still maintaining tradition and culture has Vernetta and her team of consultants excited to be part of the beauty and glitter of Malay weddings.
